Accounting for Lawyers: Materials, Concise 4th Edition (University Casebook)

David R. Herwitz, Matthew J. Barrett

Accounting for Lawyers: Materials, Concise 4th Edition (University Casebook) David R. Herwitz, Matthew J. Barrett

The Concise Edition is more than one-third shorter than the full casebook. The Concise Edition, however, is not merely an abridgment of the full version, but rather a self-contained casebook specifically designed for the shorter Accounting for Lawyers courses. The Concise Edition stands entirely on its own, making no reference to the full edition, and providing complete, though more limited, coverage of the field. Despite the overall substantial reduction in the text, the concise edition contains some special added material designed to ease the introduction of several of the core topics in the field.
