Choosing Gratitude 365 Days a Year: Your Daily Guide to Grateful Living James A Autry

In this follow-up to his best seller *Choosing Gratitude: Learning to Love the Life You Have*, renowned author James A. Autry joins his wife Sally J. Pederson for a year of gratefulness. Each devotion challenges us to see a source of gratefulness amidst the normal, burdensome circumstances of life. As the year progresses, we are let into Jim and Sally's lives, their trips to visit family, the blessings of their sons and friends. They remind us of things that happened last week or a month ago, even the weather, and so we are looped into the confidence of wise friends who really are the most positive, grateful people we would ever hope to meet. We want to be more grateful as we want to be more honest, more courageous, more generous. Each month, Jim and Sally highlight an added virtue to direct us on our guide to grateful living. Filled with quotes, poems, and the inspired voices of both Pederson and Autry, in a society consumed by fears of not having “enough”—money, possessions, security, and so on—this book suggests that if we cultivate gratitude as a way of being, we may not change the world and its ills, but we can change our response to the world.
