Just think of you getting some digestive problem in the middle of the night. One effective remedy can be ginger. A small piece of ginger cut into very small cubes, adding the same in 100 ml of boiling water with 10 mint leaves and straining the water before drinking will actually soothe your digestive problem. Suppose if you don't have ginger at home then will you go out in the night to get few from a nearby grocery store? Actually, this is a true situation that happened to my little son and that is when I realized I must work towards setting up an herb and remedies garden at my backyard.
