What happens when you wake up in a hotel suite next to a gorgeous naked man with absolutely no memory of the past twelve hours?

I guess it's true what they say. What happens in Vegas stays in Vegas.

Or at least I hope it stays here. The Romantic Style convention was meant to be a weekend of raucous fun with friends, sun, and enough poolside margaritas to forget about my ex. But now, instead of meeting my fans and signing books, I'm stuck with cocky divorce lawyer Nate Wexler. He's arrogant, infuriating, and I can't keep my hands off of him. Judging by the state of our hotel room, last night was wild. I just wish I could remember it.

A pair of matching tattoos. A cheap wedding veil. A half empty box of glow in the dark condoms.

What the hell just happened?
