**New Age Religion and The Fake Miracles.** Alejandro Roque Glez

The Holy Scriptures announce that at the End Times and once established the 'New World Order,' it would be accompanied by a total corruption within the visible Church and the ecumenical creation of a world religion to which the designers of the New Western Roman Empire—knocking already on our doors—have called the New Age Religion.

So that all the pieces fit the world would be seen by then immersed not only in a political and military confrontation, but in a deep economic crisis that it would impel the leaders of the nations in resigning to their national independences for a crumb of poisoned bread; made and elaborated for the right time.

Mario Draghi recently chosen to be the next head of the European Central Bank bluntly said today from Rome that if Europe wants to survive it has to create 'The United States of Europe' and...Now! Another brute beast that surely has accumulated great wealth that can never take with him the day of his departure; however, ready to create a general crisis which would frighten the Europeans and thus receive the support they need to impose the 'New World Order.'

It implies, affirms the subject, complete monetary and political union with a leader (emperor) at the top... the modern version of the old Roman Empire. Brussels and Strasbourg are well occupied and busy giving the last touches to the project.

And while this happen the world is entertained on who is the latest star of show business and how they dress and how much money they make...and...other fleeting little things...

Not surprisingly Yeshua said that the door is narrow...very narrow indeed...not intended for those who please too much in secular or ecclesiastical entertainments.
