Oxford Handbook of Pre-Hospital Care (Oxford Medical Handbooks) Ian Greaves, Keith Porter

The Oxford Handbook of Pre-hospital Medicine provides the reader with evidence-based advice on the assessment and management of pre-hospital care emergencies. Each section defines the important clinical features of the named condition, and includes boxes containing essential advice. The treatment section incorporated national and international guidelines and protocols where available, and reflects contemporary best practice. This handbook includes all medical and trauma conditions that are regularly encountered in an immediate care setting.
