## **The Law of Derivatives** Simon James

This volume focuses on the legal risks arising in English law in the course of derivatives transactions. It discusses the following issues: the legal risks arising in the negotiation and conduct of derivatives transactions; the regulation of the derivatives market; the capacity to enter into derivatives transactions and the standard term upon which this is done; the consequences of default by a counterparty; and the standard terms on which derivatives are entered into, particularly the ISDA Master Agreement.
