## After the Fire (Maeve Kerrigan Novels) Jane Casey

London police detective Maeve Kerrigan has spent plenty of time at Murchison House. One of the many cement high-rise towers comprising the Maudling Estate housing project, Murchison House is home to a motley mix of society. From domestic abuse victims and elderly widows with nowhere else to turn to its flourishing criminal elements, Maeve is familiar with many of its occupants by name or reputation.

But when a fire breaks out at Murchison House that consumes the top floors and leaves three dead, Maeve and her colleagues are startled to learn the identity of one of the victims. Geoff Armstrong was a wealthy, notoriously right-wing London politician—the last person they'd expect to find in a place like the Maudling Estate. And things get even murkier when evidence surfaces indicating Armstrong was murdered before the fire broke out. Was his death connected to the fire? To the other deaths at Murchison House? And what was he doing there in the first place? What Maeve begins to uncover will lead her on a terrifying journey through all levels of society, putting her very life in danger.

Jane Casey's next riveting mystery featuring beloved detective Maeve Kerrigan will keep readers turning the pages from the opening scene to the stunning conclusion.
