BEYOND THE EYES: 'THIS IS IT' becomes a true story. Sylvia Schenatzky

This book is about my experience with Michael J. after he died. This is a true story that happened to me which several mediums have verified my story is true - they are listed in this book.

I did not want to write or create this book but Michael insisted on me doing this project. He has such a strong presence and energy that was overwhelming at times. No one understands the lyrics of the song "This is it." I do, and explain each line in the song thoroughly.

It appears Michael knew me in a past life as his sister Lilly which is what he calls me. He kept telling me he will provide the proof needed to show this story is real and true.
