When I married Jude Macknight, he promised to protect me from the world. I never thought the most dangerous place would be my own home, and the man I love would be my worst nightmare.

Once upon a time, I loved him. But that love is dead. Unwilling to let me go, I've become his obsession. His heart is dark and damaged, and he will stop at nothing to make sure I remain in a marriage I no longer want, inside my gilded cage.

Each day I pull away from Jude, I watch him transform into a monster. Before my eyes, he becomes a man I don't recognize, a dangerous man. He makes it clear that I belong to him, that my life is no longer my own. If I leave, he'll kill me. But if I stay, I'll die a slow death.

**\*\*WARNING: Due to sexual situations and adult content, the His Agenda series, a dark romance thriller, is not intended for readers under the age of 18, and anyone who is unable to read books containing kidnapping, murder, graphic rape, and extreme abuse.\*\***
