Sacrificed to the Dragon (Stonefire Dragons) (Volume 1) Jessie Donovan

In exchange for a vial of dragon's blood to save her brother's life, Melanie Hall offers herself up as a sacrifice to one of the British dragon-shifter clans. Being a sacrifice means signing a contract to live with the dragon-shifters for six months to try to conceive a child. Her assigned dragonman, however, is anything but easy. He's tall, broody, and alpha to the core. There's only one problem--he hates humans.

Due to human dragon hunters killing his mother, Tristan MacLeod despises humans. Unfortunately, his clan is in desperate need of offspring to repopulate their numbers and it's his turn to service a human female. Despite his plans to have sex with her and walk away, his inner dragon has other ideas. The curvy human female tempts his inner beast like no other.

NOTE: This is the entire first story arc of the Stonefire Dragons (Parts #1-4), complete with a HEA and no cliffhangers.
