The Secrets We Keep Trisha Leaver

"A girl takes over her twin sister's identity in this emotionally charged page-turner about the complicated bond between sisters."

Ella and Maddy Lawton are identical twins. Ella has spent her high school years living in popular Maddy's shadows, but she has never been envious of Maddy. In fact, she's chosen the quiet, safe confines of her sketchbook over the constant battle for attention that has defined Maddy's world.

When--after a heated argument--Maddy and Ella get into a tragic accident that leaves her sister dead, Ella wakes up in the hospital surrounded by loved ones who believe she is Maddy. Feeling responsible for Maddy's death and everyone's grief, Ella makes a split-second decision to pretend to be Maddy. Soon, Ella realizes that Maddy's life was full of secrets. Caught in a web of lies, Ella is faced with two options--confess her deception or live her sister's life.

From reader reviews:

Jeremy Brown:

As people who live in typically the modest era should be revise about what going on or data even knowledge to make all of them keep up with the era that is always change and make progress. Some of you maybe will certainly update themselves by examining books. It is a good choice to suit your needs but the problems coming to you actually is you don't know which one you should start with. This The Secrets We Keep is our recommendation to make you keep up with the world. Why, since this book serves what you want and want in this era.

Craig Baker:

Reading a book tends to be new life style within this era globalization. With reading through you can get a lot of information that could give you benefit in your life. Using book everyone in this world can share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their reader with their story or their experience. Not only the story that share in the publications. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors these days always try to improve their proficiency in writing, they also doing some study before they write with their book. One of them is this The Secrets We Keep.

Melissa Alfonso:

Reading a book for being new life style in this yr; every people loves to go through a book. When you learn a book you can get a lots of benefit. When you read publications, you can improve your knowledge, simply because book has a lot of information onto it. The information that you will get depend on what forms of book that you have read. If you need to get information about your study, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, this kind of us novel, comics, and soon. The The Secrets We Keep will give you new experience in reading a book.

Kelsey Dehart:

Do you like reading a publication? Confuse to looking for your preferred book? Or your book seemed to be rare? Why so many issue for the book? But just about any people feel that they enjoy for reading. Some people likes examining, not only science book and also novel and The Secrets We Keep or perhaps others sources were given information for you. After you know how the truly amazing a book, you feel need to read more and more. Science publication was created for teacher or maybe students especially. Those publications are helping them to include their knowledge. In additional case, beside science e-book, any other book likes The Secrets We Keep to make your spare time much more colorful. Many types of book like here.
