The Voyage of the Dawn Treader (The Chronicles of Narnia) C. S. Lewis

For the first time, an edition of Lewis's classic fantasy fiction packaged specifically for adults.

Complementing the look of the author's non-fiction books, and anticipating the forthcoming Narnia feature films, this edition contains an exclusive "P.S." section about the history of the book, plus a sample chapter from its sequel. In an epic continuation of the saga, Edmund and Lucy and their irksome cousin Eustace are returned to Narnia as their friend Caspian is about to chart a sea voyage to the end of the world. As their journey takes them into uncharted waters, the young heroes learn that pirates, dragons and monsters are not only real but very, very dangerous. On 9 December 2005, Andrew (Shrek) Adamson's live-action film adaptation of *The Lion, the Witch and the Wardrobe* will be released by Disney, and it is already being hailed as the biggest film franchise of all time, guaranteed to appeal to adults and children across the globe. The second film is already in development. Sporting breathtaking new photographic covers, these new adult editions of the seven Chronicles of Narnia now give everyone an opportunity to experience the adventures in their original form. Re-live your childhood fantasies or discover for the first time what everyone will be talking about by Christmas and savour some of the best-loved stories ever written.
