One bad corpse can ruin your whole day.

Rhiannon's Law, Book 1

After leaving the flash and sass of Miami for the no-nonsense groove of New York, Rhiannon Murphy is eager for a clean slate and fresh start. A bartender by trade, a loud mouth by choice, and a necromancer by chance, she's managed to keep her nasty habit of seeing dead people hidden from those around her--until now.

The dangerous and deliciously sexy vampire, Disco, knows her secret. When he strolls into her club to ask for help investigating the mysterious disappearances of his kind, she quickly gets the vibe that he's not exactly the kind of guy you tell no.

Yet in a world where vampires peddle their blood as the latest and greatest drug of choice, it's only a matter of time before the next big thing hits the market. Someone is killing vampires to steal their hearts and, unlike Rhiannon, this isn't their first stroll around the undead block.

This book has been previously published.

Warning: Includes violence, strong language, and references to sexual abuse that may disturb some readers. Oblique references to '80s films are hidden here and there, which could result in tickling your geek-like fancy.
