What happens when just pretend becomes all too real? /b>

Lexie Hale is happily single and loving her life in Hawaii as a dive instructor and manager of the Big Island Dive shop.

Lt. Commander James Borden thinks he's found the perfect navy wife for a man like him, until his prospective bride goes AWOL.

After a few too many Mai Tais on a Honolulu beach, all it takes is three shoelaces, two wedding leis, and a bowl of sand to turn both their worlds completely upside down.

Find out what happens when just pretend becomes all too real, and Lexie and James wind up in a Mai Tai Marriage.

More about the contemporary romance Aloha series:

Chris Keniston's love of a good story and frustration with the end of a well known author's romance best seller, drove her to pen her own works of romance and fiction.

Mai Tai Marriage is the sixth romance novel for Chris and third book in the popular beach read Aloha Series. Following the accidental marriage turned marriage of convenience of Jim and Lexie, we get to visit and learn what's new in the lives of all the characters we love from the first books.

Favorite themes of small town and Hawaii beaches blended with the story of a single dad, lost love, and a surprise son have landed Aloha Texas, the first book in the series, on the Kindle top military list and made the contemporary romance novel a reader's choice.

Almost Paradise is the second book in the Aloha series. Continuing with the well loved themes of Hawaii beaches and former military heroes, Almost Paradise explores love, marriage, babies, and life after war for a wounded hero.

Currently working on the next book in the Aloha series, Chris is having fun bringing love, romance and a few surprises to the regulars at the Big Island Dive shop. And keep a look out for Luke 'Brooklyn' Chapman's story - a prequel novella coming this fall.
