**Metzengerstein: (low cost). Édition limitée (French Edition)** Edgar Allan Poe

L'histoire se situe en Hongrie, dans une région forestière de la Transylvanie, après l'expulsion des Ottomans du territoire en 1763. L'intrigue repose sur la haine opposant deux familles nobles germano-hongroises, à la suite d'une ancienne querelle. La première est représentée par le jeune Frederick, baron Metzengerstein, entré en possession de ses domaines à l'âge de dix-huit ans à la suite du décès de ses parents, qui mène une vie de débauche et tyrannise ses vassaux, la seconde par le vieux Wilhelm, comte Berlifitzing, qui a du sang turc dans les veines. Frederick entretient sa haine en contemplant régulièrement une tapisserie qui représente la chute du château de Metzengerstein, à l'époque de la Bataille de Mohács (1526). Elle représente un ancêtre turc de Berlifitzing, monté sur un cheval gigantesque, au moment où un Metzengerstein le tue d'un coup de poignard. Une nuit, un incendie se déclare dans les écuries du château Berlifitzing — événement dont le voisinage le juge responsable —, et le comte trouve la mort en tentant de sauver son haras. Toutefois, un cheval s'échappe des flammes. Aucun domestique de Berlifitzing ne le reconnaissant comme une propriété du comte, malgré les indices contraires, Metzengerstein le fait sien. À la suite de ces événements, Metzengerstein s'isole des gens de sa classe, s'attachant uniquement au mystérieux cheval, dont les qualités physiques s'avèrent tout à fait remarquables. Une nuit de tempête, Metzengerstein part avec le cheval dans la forêt. Pendant son absence, son château prend feu. Peu après, le cheval entraîne son cavalier dans une course effrénée, sans que Metzengerstein puisse s'y opposer, malgré ses efforts, et se jette avec lui dans les flammes.
