The Bipolar Millionaire: A Memoir John E. Wade II

John E. Wade II, author, investor, and millionaire, reveals in his memoir, *The Bipolar Millionaire*, his personal struggle with bipolar disorder. Wade takes the reader through his family experiences, political aspirations and beliefs, spiritual journey, relationship trials and errors, battle with mental illness, and how he feels he has been cured of the detrimental aspects of bipolar disorder. With the help of a unique and powerful network he calls the Operation, and through religious beliefs, personal perseverance, and the help of friends, family, and his mental health professionals, Wade lives an active, creative, and successful life. His memoir doesn't end with contentment at achieving a balance in his life, however. Instead, Wade expresses a determined vision for the future, aiming to assist humanity in finding lasting peace and prosperity through his writing, political, and spiritual endeavors.

"John is a treasured member of our Depression and Bipolar Support Alliance (DBSA) family, and we so appreciate his belief in the potential and wisdom inherent among people with lived experience of mood disorders."

-- Allen Doederlein, President Depression and Bipolar Support Alliance
