*"I'm having second thoughts about going with him, about this relationship, about him."*

By some weird turn of fate, Andy Peterson is now dating her former pet peeve, the ever so arrogant but oh-so-handsome bachelor William Maxwell. While every other girl would jump at the idea of having the richest man in the city as a boyfriend, Andy would rather opt out -- if only she had a choice. Needless to say, she felt like kicking herself at first. William Maxwell a.k.a Mr. Mogul is a changed man. Now a happier, kinder, and less arrogant version of himself, he's all the more determined to capture Andy's heart. He is living proof that persistence goes a long way.

Getting Andy to agree on dates is no easy feat -- at least not if you threatened to fire her ass the first time you met. Just when Andy starts falling for William's charms, unwanted persons from their past resurface, and paparazzi corners them left and right.

Can naïve, country girl Andy handle the public scrutiny? Will William ever earn Andy's full trust? Even better, will this awkward relationship go into full bloom, or will the circumstances nip that little romance in the bud?

This is the second book of the Mr. Mogul Series. Read the heartwarming continuation of Andy and William's love-hate romance. Get your copy now!
