Glimpses of Eternity: Sharing a Loved One's Passage From This Life to the Next Raymond A. Moody MD, Paul Perry

In this ground-breaking book, Raymond Moody, Jr., M.D. PhD, named the “father of near-death experiences” by The New York Times, explores the provocative subject of “shared death experiences,” the compelling evidence that many people share their loved ones journey from this life to the next. Dr Moody’s seminal work, *Life After Life*, completely changed the way in which we view death and dying. This new work continues his research into the afterlife by exploring in detail a wide-range of case studies, including his own personal experience during the passing of his mother. *Glimpses of Eternity* offers comfort and hope, and sheds new light on the mysterious adventure we take at the end of life.
