Honeymoon at the YMCA (A Short Story) (Kindle Single) Harry Falconer

This story was originally published in Day One, a weekly literary journal dedicated to short fiction and poetry from emerging writers.

James's patience with his boyfriend, Andy, is growing thin. A twentysomething pseudovagabond, Andy is erratic and unpredictable and always manages to drag James into the worst situations. This time is no different.

The two haven't slept since the disastrous fire in James's sister's apartment—an accident he insists was Andy's fault. After a long, frigid night on the streets of Manhattan, James finds himself sheltered in a yuppie café with a throbbing head, a cheap bagel, and a maddeningly unapologetic boyfriend—and wondering where he went so horribly wrong.

Written when the author was just nineteen years old, *Honeymoon at the YMCA* is a tragicomic tale of a young man's desire for adult stability and independence stunted by a dwindling relationship that seems barely worth saving.
