Tilt Ellen Hopkins

Love—good and bad—forces three teens' worlds to tilt in a riveting standalone novel from #1 *New York Times* bestselling author Ellen Hopkins.

Three teens, three stories—all interconnected through their parents' family relationships. As the adults pull away, caught up in their own dilemmas, the worlds of the teens begin to tilt.

Mikayla, almost eighteen, is over-the-top in love with Dylan, who loves her back jealously. But what happens to that love when Mikayla gets pregnant the summer before their senior year and decides to keep the baby?

Shane turns sixteen that same summer and falls hard in love with his first boyfriend, Alex, who happens to be HIV positive. Shane has lived for four years with his little sister's impending death. Can he accept Alex's love, knowing his life, too, will be shortened?

Harley is fourteen—a good girl searching for new experiences, especially love from an older boy. She never expects to hurdle toward self-destructive extremes in order to define who she is and who she wants to be.

Love, in all its forms, has crucial consequences in this wrenching story from Ellen Hopkins.

From reader reviews:

Bryan Perry:

Book is to be different for every single grade. Book for children until eventually adult are different content. As it is known to us that book is very important for us. The book Tilt seemed to be making you to know about other understanding and of course you can take more information. It is very advantages for you. The reserve Tilt is not only giving you considerably more new information but also to get your friend when you truly feel bored. You can spend your spend time to read your guide. Try to make relationship with all the book Tilt. You never really feel lose out for everything in the event you read some books.

Sean Owens:

In this 21st century, people become competitive in most way. By being competitive today, people have do something to make these people survives, being in the middle of typically the crowded place and notice simply by surrounding. One thing that at times many people have underestimated that for a while is reading. Sure, by reading a book your ability to survive raise then having chance to endure than other is high. For you personally who want to start reading some sort of book, we give you this kind of Tilt book as beginning and daily reading reserve. Why, because this book is usually more than just a book.

Joyce Pippin:

Information is provisions for people to get better life, information presently can get by anyone from everywhere. The information can be a know-how or any news even a huge concern. What people must be consider while those information which is from the former life are difficult to be find than now could be taking seriously which one would work to believe or which one typically the resource are convinced. If you get the unstable resource then you buy it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take Tilt as your daily resource information.

Larry Strickland:
