Five stories from #1 bestselling author J.R. Rain, including:

"Zombie App" - Tommy and Billy are just a couple of average high school punks who are about to download a very unaverage app...an app that just might raise the dead.

"Vampire Rain" - Some vampires don't die. Some vampires can't be killed. At least, not by mortals. Now, one ancient vampire takes it upon himself to rid the world of a deadly plague...himself.

"They Came From the Sea" - Clyde Goodbook makes a fantastic discovery in his backyard...a discovery that changes his life forever.

"Merlin's Tomb" - Two children are about to come face-to-face with one very famous wizard...and one future dictator.

"Guest Blog: Samantha Moon" - A vampire and mom writes her first flog...and reveals all.

Plus, a bonus short story that features one very famous—and deadly—masquerade ball.

**\*\*Acclaim for the Novels of J.R. Rain\*\***

"Gripping, adventurous, and romantic—J.R. Rain's *The Lost Ark* is a breakneck thriller that traces the thread of history from Biblical stories to current-day headlines. Be prepared to lose sleep!"  
—JAMES ROLLINS, international bestselling author of *The Devil Colony*

"I enjoyed this immensely. The protagonist, Samantha Moon, is a female vampire with a husband and children. Those predate her condition; six years ago she was attacked by a vampire and rendered into one. Now she's trying to carry on with family and private eye business, and she's a feisty, skilled person, so is doing mostly okay. It is not a horror story; she buys animal blood to eat and doesn't generally prey on humans. But her husband has an increasing problem with her coldness—not of spirit, but of body. 'You sicken me and scare the hell out of me,' he tells her. 'And when I touch you it's all I can do to not gag.' She replies, 'Words every wife wants to hear.' I love this! What makes it special are her character and nature."  
—PIERS ANTHONY, bestselling author of *A Spell for Chameleon*

"Dark Horse is one of the best books I've read in a long time! A great classic detective story with a modern twist. Unique and interesting characters (I think I'm half in love with Jim Knighthorse now!), a great plot that kept me guessing until the end, and some of the funniest lines I've read anywhere."  
—GEMMA HALLIDAY, bestselling author of *Spying in High Heels*
