Chloe has one plan for the future, and one plan only: the road. She's made a promise to herself: don't let anyone in, and don't let anyone love her. She's learned the hard way what happens if she breaks her rules. So she's focused on being invisible and waiting until she can set out on the road—her dream of freedom, at least for a little while.

Blake Hunter is a basketball star who has it all—everything about him looks perfect to those on the other side of his protective walls. He can't let anyone see the shattered pieces behind the flawless facade or else all his hopes and dreams will disappear.

One dark night throws Chloe and Blake together, changing everything for Blake. For Chloe, nothing changes: she has the road, and she's focused on it. But when the so-called perfect boy starts to notice the invisible girl, they discover that sometimes with love, no one knows where the road may lead.
