Sociology: The Basics

Ken Plummer

Sociology: The Basics Ken Plummer

A lively, accessible and comprehensive introduction to the diverse ways of thinking about social life, *Sociology: The Basics* (second edition) examines:

- The scope, history and purpose of sociology.
- Ways of understanding society and ‘the social’.
- The state of the world we live in today.
- Suffering and social inequalities.
- Key tools for researching and thinking about society.
- The impact of the digital world and new technologies.
- The values and the role of sociology in making a better world for all.

The reader is encouraged to think critically about the structures, meanings, histories and cultures found in the rapidly changing world we live in. With tasks to stimulate the sociological mind and suggestions for further reading both within the text and on an accompanying website, this book is essential reading for all those studying sociology and those with an interest in how the modern world works.

From reader reviews:

Donna Cook:

The book Sociology: The Basics can give more knowledge and information about everything you want. So why must we leave the good thing like a book Sociology: The Basics? A few of you have a different opinion about reserve. But one aim that book can give many information for us. It is absolutely right. Right now, try to closer with the book. Knowledge or details that you take for that, you can give for each other; you may share all of these. Book Sociology: The Basics has simple shape however you know: it has great and large function for you. You can appear the enormous world by open up and read a publication. So it is very wonderful.

James Ellis:

In this 21st century, people become competitive in every way. By being competitive at this point, people have do something to make these survives, being in the middle of the particular crowded place and notice by means of surrounding. One thing that oftentimes many people have underestimated this for a while is reading. That's why, by reading a publication your ability to survive enhance then having chance to stay than other is high. For you personally who want to start reading a book, we give you this kind of Sociology: The Basics book as nice and daily reading reserve. Why, because this book is usually more than just a book.

Corinne Parsons:

Nowadays reading books become more than want or need but also work as a life style. This reading routine give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The data you get based on what kind of publication you read, if you want get more knowledge just go with training books but if you want truly feel happy read one having theme for entertaining like comic or novel. Typically the Sociology: The Basics is kind of publication which is giving the reader unpredictable experience.

Dorothy Stanek:

Playing with family in the park, coming to see the marine world or hanging out with close friends is thing that usually you could have done when you have spare time, after that why you don't try thing that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love Sociology: The Basics, it is possible to enjoy both. It is great combination right, you still desire to miss it? What kind of hang type is it? Oh can happen its mind hangout people. What? Still don't obtain it, oh come on its called reading friends.
