The idea of Biblical surrender is commonly misunderstood in the modern Church. Seen as something merely emotional or external, many Christians approach surrender in a way that only results in a temporary aesthetic change. This book details both God's sovereign work and the personal responsibility necessary for God-glorifying dependence at the heart level. It is designed to help the reader discover how surrender can be more than a one-time experience; it can be a way of life. Discover the art of surrender.
