The Silent Journey Michael J. Bellito

Mike is a master at blending humor with narrative storytelling, and in no book has he done that more beautifully than in this one -- where he brings readers with him through his journey through a stroke and back. His venture into the pure nonfiction genre is a beautiful reminder of the strength of the human spirit, the will to survive and the power of friends and family to lift you up in your darkest moments. It could have been a bleak story; instead, through humor where you can almost picture him chuckling, he tells it like it was and makes you smile, too. --Erin Brooks, Editor "A Silent Journey" is written with sincere emotion from an awe inspiring viewpoint. The deep-rooted level of details provided throughout are incredibly descriptive and meaningful. This is an amazing accomplishment from a humble man. --Emil Misichko – Long-time friend and neighbor.
