Natural Selection

Mr Stuart Connelly, Mr Chad Scheifele

Natural Selection Mr Stuart Connelly, Mr Chad Scheifele

Tyler is the new kid in town, a high school senior quietly but desperately searching for direction from a world that seems to have abandoned him.

A local boy, Indrid, burns with pent-up rage. Deep in his heart, he harbors a dark design: to bring the students and faculty of Blue Rock High to their knees, begging for their lives. All Indrid craves is a partner to help carry out his terrible plan.

When Indrid sets his sights on Tyler, only one thing can save the new boy: the love of Paige Thomas, a beautiful girl who connects with what's inside Tyler. But can Paige help Tyler see Indrid for the monster he truly is? Or is even she too late? Is bloodshed the destiny of everyone at Blue Rock?

Read **Natural Selection**, the intense book that's now a major motion picture starring Mason Dye (*Flowers in the Attic*), Katherine McNamara (*Happyland*), Anthony Michael Hall (*The Breakfast Club*) and introducing Ryan Munzert as the troubled, charismatic Indrid Wardin.
