Mated to the Wolf

The scent of her arousal hit him as soon as she opened the door, and that, coupled with her wet, tangled hair, seductive eyes, flushed cheeks and glistening body left Eli fighting for control over his wolf.

Every generation, Kitty Thompson's small rural village sends a human tribute to the werewolf clan which protects them from the armies and bandits which roam the lands. The tribute needs to be a virgin and nobody knows what happens to them. When Kitty hears that her friend Elizabeth may be chosen, she volunteers to take the other girl's place.

She is sent out to the woods at the full moon, where she meets an alpha male wolf with glowing eyes who pushes and prods her towards a village some way down the road. The wolf leads her to a mysterious cabin at the edge of the wood..
