The Angel of Losses Stephanie Feldman

The Tiger's Wife meets *A History of Love* in this inventive, lushly imagined debut novel that explores the intersections of family secrets, Jewish myths, the legacy of war and history, and the bonds between sisters.

When Eli Burke dies, he leaves behind a mysterious notebook full of stories about a magical figure named The White Rebbe, a miracle worker in league with the enigmatic Angel of Losses, protector of things gone astray, and guardian of the lost letter of the alphabet, which completes the secret name of God.

When his granddaughter, Marjorie, discovers Eli's notebook, everything she thought she knew about her grandfather—and her family—comes undone. To find the truth about Eli's origins and unlock the secrets he kept, she embarks on an odyssey that takes her deep into the past, from 18th century Europe to Nazi-occupied Lithuania, and back to the present, to New York City and her estranged sister Holly, whom she must save from the consequences of Eli's past.

Interweaving history, theology, and both real and imagined Jewish folktales, *The Angel of Losses* is a family story of what lasts, and of what we can—and cannot—escape.
