The Spanking Musketeers C. C. Barrett

Our story begins at the end of a huge battle in which three brave musketeers are handsomely rewarded for saving their king's life. Philip, the youngest musketeer, wants to wed Penelope but he must first discover the truth about her past. When a strong hand to her bare bottom doesn't bring about the desired result, Philip must resort to stricter methods. Alexander, a deeply religious man, was rewarded with an Abbey filled with wayward women that need the kind of discipline that only a man with a dominating will and strong switch can administer. Ann and Constance repeatedly try his patience and find themselves over the French priest's knee receiving a blistering bare bottom spanking. Their antics continue until they are put in stocks and punished harshly for their naughty and unthinkable behavior. When the Gold Cross goes missing, Ann and Constance are accused and sent to the King's dungeon where they learn the true meaning of pain. Jacques, the captain of the Musketeers, has grown weary of war and looks forward to a more peaceful life as the new Count. But when he returns home to his wife, Julia, peace was the last thing he found. Soon he learns that their newly hired servant, Melinda, stirs up more than just their meals. Before too long, both women find themselves naked and sorely chastised as they are painfully reminded of the Count's place as Master and Lord of his Keep. **WARNING:** This text may contain severe discipline, merciless punishment or BDSM subject matter that may be considered too harsh or callous for some readers.
