What Angels Wish They Knew: The Basics of True Christianity Alistair Begg

Fifty years ago, John Stott's Basic Christianity outlined the fundamentals of Christianity. And while the tenets of the faith have stayed the same, the audience has not. No longer does the general population believe in absolute truth. No longer is society biblically literate. For this critical time in history, Alistair Begg offers What Angels Wish They Knew. In this engaging, eloquent volume, Begg presents the truths of the Word of God, describing God's character, man's sinful state, God's gift of salvation to those who would receive it, and man's necessary response to God's gift. A book to read, share, and give away, What Angels Wish They Knew is a timely defense of our Christian faith at the close of the 20th century. It's perfect for those who want to fully understand and defend their beliefs, or for any seeking non-believer who wants to explore Christianity for the first time.
