James M. Jackson

Cabin Fever: A Seamus McCree Mystery (Seamus McCree Mysteries Book 2) James M. Jackson

Financial crimes investigator Seamus McCree returns in this thrilling sequel to *Bad Policy*. With his house in Cincinnati in ruins, Seamus retreats to the family cabin for some well-earned rest and relaxation. But his plans for a quiet, contemplative winter in the wilds of Michigan's Upper Peninsula are thrown out the window when he discovers a naked woman on his porch during a blizzard. The mystery woman is suffering from hypothermia, frostbite, high fevers, amnesia—and rope burns on her wrists and ankles.

Snowbound at the cabin, without transportation or phone coverage, Seamus struggles to keep the woman alive and find a way to get an SOS message out. What he doesn't know is that a domestic paramilitary organization is hunting for an escaped female prisoner—and closing in on his isolated refuge.

“A satisfying saga with a story line that’s complex and unpredictable. With its combination of social consciousness, political action, intrigue, and family relationships, *Cabin Fever* will satisfy any mystery or thriller reader.” — D. Donovan, Senior Reviewer, *Midwest Book Review*

“This book is exciting and wonderful from the first page. Unexpected and stunning surprises send the plot careening in different directions. It is one of those rare books that will have the reader thinking about the people and the story long after it has been put back on the shelf.” — Fran Byram, *Portland Book Review*
