Giulia. La magia esiste davvero (Italian Edition) Mario Giuliani

Giulia è una ragazza fiorentina di diciassette anni, appassionata lettrice dei libri di Harry Potter; da bambina, perse i sensi ed ebbe una sconcertante visione ambientata in Germania durante la guerra. Alcuni anni dopo, le accadono una serie di avvenimenti incredibili, e a poco a poco si renderà conto che molte altre persone hanno avuto le sue stesse esperienze paranormali che sono comprovate da stimati medici e scienziati. La protagonista, assieme all'inseparabile cugino e ad una nuova e inaspettata amica, sarà quindi coinvolta nelle indagini sulle attività di un gruppo satanico che usa prostitute minorenni e bambini. Alla fine di tutte queste esperienze, Giulia dovrà considerare i fenomeni paranormali, l'esoterismo, la fisica quantistica e la magia in modo completamente diverso, e i libri di Harry Potter che lesse da bambina non le sembreranno più così irreali.
