Babies are so easy to love. It feels so natural to love a newborn child unconditionally. The love just naturally flows out of us. Nobody has to teach us. Nobody has to ask us. Nobody has to convince us. It just happens. How wonderful it would be if we could always love, cherish, and appreciate our children as gorgeous, loving, angels. How great it would be to carry our love with us and maintain it powerfully forever. We can do that. We simply need to be nudged to remember. We just need to be reminded what we hold dear and precious. We only need to take time out for a few moments and bask in the memory (and the present moment reality) of what is so amazingly and divinely wonderful about our gifts from the divine. This book is one of those reminders.
