English Electric/BAC Lightning Manual: 1954 to 1988 (all marks and models) Ian Black

Enjoying continuous frontline service with the RAF for nearly 30 years, the supersonic English Electric Lightning jet was the Spitfire of its era and the last of a special breed of fighter aircraft: single-seat, all-British, magnificently overpowered and possessing delightful handling qualities. During its lifetime it became the favourite mount for jet fighter pilots and thrilled the crowds at countless air displays with its spectacular speed and awesome performance. Former Lightning pilot Ian Black brings a level of level of insight into operating the Lightning that is second to none.
