Origin And Fall of the Alamo, March 6, 1836 (With Interactive Table of Contents and List of Illustrations (Texas History Tales Book 1) John Salmon Ford

NOTE: This book has been scanned then OCR (Optical Character Recognition) has been applied to turn the scanned page images back into editable Text. This means that the text CAN be resized, searches performed, & bookmarks added, unlike Kindle Books that are only scanned.

We have added an Interactive Table of Contents & an Interactive List of Illustrations. This means that the reader can click on the BLUE AND/OR underlined links in the Table of Contents or the List of Illustrations & be instantly transported to that Chapter or Illustration.

To make reading easier, especially on smaller mobile devices, we have added the following reading aids: an indent to the first line of each paragraph, a page break after each chapter, & each Illustration.

Our aim is to provide the reader AND the collector with long out-of-print classic books (OOP) at realistic prices. If you load your mobile device(s) with our books, not only will you have fingertip access to a large library of Antiquarian and Out-Of-Print material at reasonable prices, but you can mark them up electronically & always have them for immediate reference, without worrying about damage or loss to expensive bound copies.

We have inexpensively published other interesting nonfiction classics on history, science, reference, etc in. E-book format, including "An Apache Campaign in the Sierra Madre." With Table of Contents And List of Illustrations that are Interactive) (ASIN: B0081XAX6O), "On The Border With Crook" (With Table of Contents And List of Illustrations that are Interactive) (ASIN: B007VQB0GE) both by this same author, & Civil War titles, such as Abraham Palmer's The History Of The Forty-eighth Regiment New York State Volunteers, In The War For The Union: 1861-1865 (With Table of Contents And List of Illustrations that are Interactive) (ASIN: B0086I5VEI).

We will be adding to our titles regularly, look for our offerings on Amazon.

"Origin And Fall of the Alamo, March 6, 1836" by John S. Ford is a look at one of the most famous battles in U. S. Military history; the fall of the Alamo in the Texas War for independence.

John Salmon Ford 1815-97 was a member of the Republic of Texas Congress; the Texas State Senate; mayor of Brownsville, Texas; a Texas Ranger; a Confederate Colonel and a Texas journalist.

Ford, known to contemporaries as "Rip" Ford for always including the words "Rest In Peace" after the names of battle casualties in battle reports, was an early settler of Texas arriving in 1836. He spent his later years writing reminiscences and historical articles and promoting an interest in Texas history. This short book of 16,000+ words was written in 1896 to help raise money for the Alamo Monument. It gives a history of the fateful battle of the Alamo, during which 190 Texans withstood the siege of 4,000 Mexican troops until finally overwhelmed. The cry, "Remember The Alamo" became a watchword in the Texas struggle for

independence and has remained so throughout U. S. Military history.

In the "Historical Remarks" section at the end of the book, some little known interesting facts are give about San Antonio history both before and after the battle of the Alamo.

A great battle history of the struggle for the Alamo using the historic records of the time. Very scarce in the original binding, it is presented in an inexpensive e-book for those interested is this pivotal battle.
