Simple Songs for Toddlers Volume 4 John M. (Compiler) Rasley

Foreward... There are few experiences which equal that of hearing the voices of happy little tots as they sing songs about Jesus and His love. We are touched by their innocence and enthusiasm, and we become mindful of Jesus' own words: "...of such is the kingdom of heaven." We are happy to present the fourth in a series of songbooks written especially for little folks, containing music they can sing and words they can understand. Many of the songs are quite short and these can be learned rather quickly. Others are somewhat longer musically or contain more than one stanza of text, and such songs will require more preparation. Each song has a message for young and old alike, and we feel that each can prove to be a source of real blessing for most everyone.
