Welcome to Vegas. Home of the Sin City Collectors. The job description is easy: Bring the offending supernatural in to the boss, and don't ask any questions.

The characters in these three installments interact in a way that makes for one fun novel!

Aces Wild, Book One

Nevada Hamilton has learned a few things since becoming a Sin City Collector, and staying away from vampires is one of them. After botching her first Collection, she hasn't been assigned to another one. But when she receives her next playing card, she's in for a surprise. Not only is a vampire her next target, but they've paired her up to make sure she gets the job done right.

Being a hellhound isn't enough to protect Jake Troubadour from Nevada Hamilton, no matter how thick his skin is. Finding out he has to work with the beautiful dhampir after not seeing her for three years is a low blow - but Jake is a professional. He takes his Collections as seriously as he does running his bar. He'll do whatever it takes to get the job done.

Ante Up, Book Two

Diesel Jones is a shifter with moon issues. His dream of becoming a Sin City Collector has lingered in the shadows because of his inability to control himself. But when Louie Fiore decides to test his merit, Diesel jumps at the chance. When he finds he has to come up against an incubus, painful issues from the past resurface, and he has only one thing on his mind: kill.

Sofia Cabrera is the new witch in town, and she's more than anyone bargained for. She finds herself drawn to Diesel, the sexy shifter, the first moment she lays eyes on him. When she finds herself the target of an organization of incubi, Diesel comes to her aid unexpectedly, and they end up fighting the threat together.

All In, Book Three

Ginger Elliot is a succubus on the run. She's in danger of being Collected, but her first priority is to find her brother. Even though she operates the biggest spy network in the supernatural world, it may not be enough to free her from the crimes she's been accused of committing. But keeping her deteriorating condition from the sexy shifter who's accompanying her is getting trickier by the hour.

Luke Jones is on a mission to save the succubus he's fallen for - not only from her brother but from herself. The two have been on the incubus' trail for weeks and finally have him backed into a corner. Luke knows Ginger is in trouble, but he has no idea how to save her.

What's Collected in Vegas stays in Vegas.
