Slingshot 2012 Organizer Slingshot Collective

Now in its 18th year of publication, the Slingshot Organizer is a must-have for punks, radicals, free thinkers, and the young at heart. This 176-page pocket planner (4.25 inches X 5.5 inches) features radical occasions (both historical and contemporary!) for every day of the year, space for your addresses and phone numbers, a contact list of radical groups around the globe, a menstrual calendar, unit conversions, info on police repression, blank pages for notes, and much more. All with a tough, layflat binding and laminated cover! Cover and ink colors vary.

'Making a day planner by hand like this is a throwback--a dumb paper book in a smart phone world... The printed contents lack the depth, timeliness and clarity easily accessible with a Google search. Which perhaps is the point. The meaningfulness of our lives is more complex, messy, and difficult than straight, computerized lines. The counter-culture we're a part of is raw, rowdy and on the margins, but it is heading in the right directions: towards a beautiful, pleasurable, sustainable world where people are free' (from the introduction)
