## **What You Don't Know and Your Boss Won't Tell You: Advice from Senior Female Executives on What you Need to Succeed** Pamela F. Lenehan

To move ahead in your career you need to be concerned about many issues that are not taught in school or the company handbook *What You Don't Know and Your Boss Won't Tell You* covers a wide range of topics explored candidly by experienced female executives who learned how to navigate the unspoken and often debilitating rules of corporate life. This book will show you how to actively manage your career, communicate in the language of business, find leadership opportunities and good mentors, and develop a personal style that projects confidence and competence. The book also shows how you can handle the nuances of dating, emotions, and office politics, how to understand the rigors and rules of business travel, and ways to balance work and family comfortably. Unlike other books geared toward women on how to succeed in corporate life, *What You Don't Know and Your Boss Won't Tell You* offers specific advice from a group of successful female executives that will help empower women to take charge of their careers, instead of letting their careers take charge of them.
