**Criminal Procedures: Prosecution & Adjudication** Marc L. Miller, Ronald F. Wright

Offering a detailed account of the "bail to jail" segment of the criminal process, **Criminal Procedures: Prosecution and Adjudication, Third Edition**, lays out the essentials of this process. It offers an engaging, comprehensive, and highly teachable survey of the laws and practices at work between the time a person is charged and the time the courts resolve the offender's conviction and sentence.

**Instructors can continue to place their trust in the expertise of this quality casebook. It:**

- covers in detail the "**bail to jail**" portion of the criminal process
- offers an **extensive use of documents from multiple institutions**, including: U.S. Supreme Court cases, state high court cases, statutes, rules of procedure, and prosecutorial policies
- provides a **real world perspective** that focuses on issues of current importance to defendants, lawyers, courts, legislators, and the public
- presents an **interdisciplinary examination of the impact that various procedures** have on the enforcers, lawyers, courts, communities, defendants, and victims
- is **written by two leading scholars** in this field, both of whom have practiced, taught, and written about the criminal justice process
- **examines issues of race and justice** in criminal procedures

**The Third Edition remains timely and current, offering:**

- a **selection of new state cases** — all decided in 2000 or later — to maintain a current focus on application of doctrine
- a strengthened emphasis on **professional responsibility issues**
- **coverage of new U.S. Department of Justice policies** on charging and sentencing
- discussions on the **impact of "Global War on Terror" policies on detention and habeas corpus** in ordinary criminal prosecution
