Being the victim of a heartbreak isn't easy when the heartbreaker is the successful, handsome & romantic Paul Reynor. For Sophie, that's her nightmare come true. Because of this, Sophie's life turns upside down. Her other relationships fall apart. She stops focusing on what she really loves: sketching. Even her sister Sinny, believes that things are getting too far. While still in recovery, Sophie develops a series of memories of her & Paul together, which haunt the depths of her mind at the most inconvenient times. Speaking of inconvenience, the most unexpected person butts into Sophie's already too-complicated life. James Turner is comical, rude and seems to be everywhere. More love is the opposite of what Sophie wants. But that just may be what is chasing her nonstop. When does it end?
