A collection of works by grade 8 students from an American school in Mexico on the topic of love. 46 young students share their hopes, desires, wants and advice about love. Upon reading a pre-reading assignment for Shakespeare's Romeo and Juliet, their teacher decided that their hopeful, innocent and remarkable perspective on love needed to be shared with a larger audience. This book is our gateway to a larger audience. You'll be amazed what these young people have to teach all of us about a topic they are just beginning to explore.
