This book utilizes several distinct Rosetta Stones into the Assassination of John F Kennedy: the historical novel (1959) and the black and white version of the movie, "The Manchurian Candidate" by Richard Condon (1962) where a list of The Dirty Dozen JFK conspirators were surreptitiously and cautiously revealed including Senators Thurmond and Eastland, MacArthurites, McCarthyites and others using anagrams and other word plays. And "The Winnipeg Airport Incident" (1964) where another handful of JFK conspirators are identified. All of these Rosetta Stones reach the same conclusions regarding the identities of those on the suspects list behind JFK's death. The most common linkages among these identified suspects are: The Eugenics based Pioneer Fund of Wickliffe Draper, The John Birch Society of Edwin A. Walker and Robert Morris, The Mississippi Sovereignty Commission of Senator James Eastland, funded by Draper and the Senate Internal Security Subcommittee and its chief counsel Robert J. Morris, the real power behind McCarthyism, The White Russian sponsored Order of St. John, from The Russian Orthodox Church Outside of Russia involving Anastase Vonsiatsky and George deMohrenschildt, The Christian Defense League and The Nazi Silver Shirts of Rev. Gerald L. K. Smith, the American Security Council of Robert Morris, James Angleton, Ray Cline and Charles Willoughby, the Ultra-Catholic Crusaders from The Shickshinny Knights of Malta, the Fascist dominated World Anti-Communist League, the Dulles brothers and the Prestons from United Fruit and the MK/ULTRA mind control operations of James Angleton, OSJ and Carlist Catholic William F. Buckley, Jr., OSJ from the CIA which should be called: The Catholic Intelligence Agency of America.

This tightly knit cabal of pro-Fascists, White Supremacists, anti-Semites, anti-Communists, McCarthyites, MacArthurites, Segregationists, Eugenicists and former Hitler followers found like-minded co-conspirators at every single level of the Military Reich, the Industrial Reich, the Political Reich and the Religious Reich. Their goal was quite simple: To cause the VietNam conflict to expand into a major confrontation leading into a death struggle between the Soviet Union and the United States which would lead to the Rise of The Fourth Reich with America as its base to launch future Christian Military Crusades against any other future threats from all non-Catholic infidels and heathens, or Muslims who would ever oppose the Pope in Rome, or the guardians of the Catholic Church: The Knights of Malta or American foreign investment interests. . Recent FOIA releases about PATCON - "The Patriot Conspiracy" project run by the FBI 20 years ago show that even Tim McVeigh and the OKC bombing had well defined links into the Patriot Militia Movement through the militant Order of St. John - Knights of Malta also called "The Order". Three distinct self-implicating confessions by members of The Patriot Movement made to trusted confidantes regarding their participation in the plot to murder JFK solidifies the thesis and finally identifies the core groups involved beyond the shadow of a doubt. This book is a must read for anyone concerned about the inroads being made and the influences being exerted by the use of deadly force on the part of these violent and dangerous false patriots. Read more about this book at: <http://www.JFKTheFinalSolution.com> You will be among the first persons to know the actual identities of persons like: "Indiana Jones", "The Manchurian Candidate", "Big Daddy Warbucks" and "Little Orphan Annie". This book reads like The DaVinci Code in many places. And you will learn the identities of Richard Condon's "Dirty Dozen" who plotted to kill JFK in both 1959 and 1963. And you will be among the first to know why Paul Weyrich once said: "When the roles of Eugenics and The Pioneer Fund in world events are fully understood, World History during the 20th Century will have to be re-written completely."
