Jimmy Swaggart Bible Commentary: Romans: Volume Twelve Jimmy Swaggart

The Book of Romans is considered by many as the Magna Carta of Salvation. It is only proper and fitting that the Epistle which explains Salvation, and in its totality, as well as all of Satan's efforts to dilute this Message, be placed first after the Book of Acts. It alone sets the Standard, as it alone can set the Standard, thereby supplying the Foundation for all which follows. In this volume contains the Truth of Salvation as outlined by the Holy Spirit, and given to Paul in order that it may be given to the world. There is no other Plan of Salvation, no other Way of Salvation, at least given by God, which God will recognize. Anything which differs from the Salvation Plan offered in the Book of Romans, irrespective of its intellectual content, is persuasive philosophy, or its appealing allurements, is purely and simply, a lie. There is one way and that way is through the cross of Jesus Christ.
