Lady Kisses

Erica had developed a reputation as a person who was bubbly, vivacious, and loyal to the bitter end. When told secrets, she kept them, as a shoulder to cry on, she was a pillar of strength. Erica was the quintessence of the all American Girl.

After graduating from nursing school at the top of her class, she took a job in Chicago rather than stay in Ft. Wayne, Indiana. Her parents and family were saddened to see her go, but they were equally excited for the new opportunity at the University of Chicago Medicine in the Pediatrics department. She had specialized in understanding and learning unique pediatric issues and that is exactly what she wanted.

Her work life was splendid, though her personal life suffered. She had fallen into a routine of work, eat sleep, repeat. It would change dramatically when her new boss arrived.

Erica had never seen another woman so beautiful, she had never looked at a woman in that way before.

Her life as she knew it was about to change!

First Domination

Lilly had a secret that she dare not share with anyone. It wasn't planned to be exposed, it was just a twist of fate and little more.

Her petite form, wavy brown hair, and dark brown eyes made her look vulnerable, but not weak. Clients of the company she worked for loved to see her at the front desk, greeting them with the kind of smile that hinted at the possibility of an evening together - an evening that would of course never take place. Her demure exterior and soft voice were real, but it covered her secret very well.

It was not until her Boss needed a little Domineering that Lilly's secret would be unleashed, and once it was out, how could she cage the beast again...

Lesbian Menage

I never thought an innocent shopping trip would change my life forever...

Sifting happily through the sale racks, I noticed something unusual from the corner of my eye. The security guard was following me!

I was a little offended, after all, I had not done anything so I must look like a criminal.

I decide a good plan of action would be to take shelter in the changing room. As I sat there hiding and pondering my innocence, there comes a knock on the door.

"Hello Miss, it's security please open the door."

I will never forget the events that followed that line.

Borrowed to a Lesbian

My marriage was a happy one, my sex life was not.

I had married young, and although we were a perfect fit in some ways, he did not quite satisfy I yearning I had never quite shaken.

How would he react when I told him I wanted to be with a woman...
