After the tragic death of her parents, a young girl was adopted and raised by an African tribe, and grew up to be SHEENA, QUEEN OF THE JUNGLE. She was the first female comic character to get her own book, which ran for 18 issues. She is the first, and the undisputed champion of the women of the jungle! We're publishing her entire 18-issue series individually, OR get it as a six-volume collection, OR you will find her stories in the 350+ page CLASSIC COMICS LIBRARY volumes – starting with #47 & 246! These books are reprinted from the best available images, and the books will be updated as new copies are uncovered. Sometimes the early and rarer books reflect the age and the condition of the originals. Our books are NOT digitally remastered; they are taken from scans of actual comics. Many people enjoy these authentic characteristics. If you are not entirely happy, please contact us for exchange or refund at any time!
