A revised edition of the timeless business classic - updated to help today's listeners succeed more quickly in a rapidly changing world.

For decades *The One Minute Manager* has helped millions achieve more successful professional and personal lives. While the principles it lays out are timeless, our world has changed drastically since the book's publication. The exponential rise of technology, global flattening of markets, instant communication, and pressures on corporate workforces to do more with less - including resources, funding, and staff - have all revolutionized the world in which we live and work.

Now Ken Blanchard and Spencer Johnson have updated *The One Minute Manger* to introduce the book's powerful, important lessons to a new generation. In their concise, easy-to-understand story, they teach listeners three very practical secrets about leading others and explain why these techniques continue to work so well.

As compelling today as it was 30 years ago, this classic parable of a young man looking for an effective manager is more relevant and useful than ever.
