## **The Seven Deadly Work Sins** Dr. George Abraham

Metaphoric and allegoric, *The Seven Deadly Work Sins (Against the Golden Rule)* by Dr. George Abraham is a goldmine of information on what it takes to succeed in the modern work environment. Wildly original, this provocative and daring self-help guide blends work ethics with business management. Vigilant and thorough, thirty benchmark case studies highlight what is wrong in the American corporate environment; the landscapes of such sins as gluttony, greed, envy, pride, and more are poignantly, aptly, and accurately illustrated. Fueling a lively debate about the benefits of what works at work as opposed to what is wrong at work, the author describes the ideal work culture which heralds timely messages on purity versus lust, moderation versus gluttony, generosity versus greed, pro-activity versus slothfulness, peace versus wrath, beneficence versus envy, and humility versus pride. His powerful message is peppered with wit, rhyme, and puns to provide the reader with a few belly laughs along the way.
