Keith Meyer

Whole Life Transformation: Becoming the Change Your Church Needs Keith Meyer

2011 Golden Canon *Leadership* Book Award winner! Ministry to others and growing the church were the center of Keith Meyer's life. And yet he was arguing with his wife about how many nights a week he was spending in meetings. His temper was short, and he was exhausted. Keith writes: "I can see that I was pursuing a twisted idea of 'success'--not in the secular forms I regularly preached against, but in the sanctified activism and workaholism sometimes called 'professional ministry.' A growing church, defined mostly by higher attendance at church services, more and more programs, and bigger budgets and buildings were the marks of a successful ministry in the clergy circles I ran with at that time." In the midst of his pain Keith discovered a new way of living--one that truly depended on Christ to redeem and reform his character. And then as he was transformed, he discovered that the change in him was changing the way that he was pastoring and leading others. Drawing from the riches of church history and the experience of contemporary ministry, Keith Meyer writes with the voice of a prophet and the heart of a pastor. If you're ready to stop *trying* to follow Christ and start *training* to be a Christ follower, this is the book for you.
